Enrollment at Oologah School soars to new heights, the new high school soon to be completed with a spirit all its own—everyone's hope for a dream that will soon be a reality and the beat goes on.

The extra-curricular activity ranging from football games, basketball tournaments to a coke with a special person to a special place—Oologah school plays a vital role in the lives of its students.

The academic curriculum is varied for students of all talents, interests and ambitions.

It's a flurry of activated enthusiasm, a happy place. . .a second home.

Board of Education

Once a Dream Now a Reality

Another dream will soon become a reality. The first phase of another ultra-modern school building which will house the Freshman, Sophomore, Junior and Senior Classes next fall is well on its way to completion.

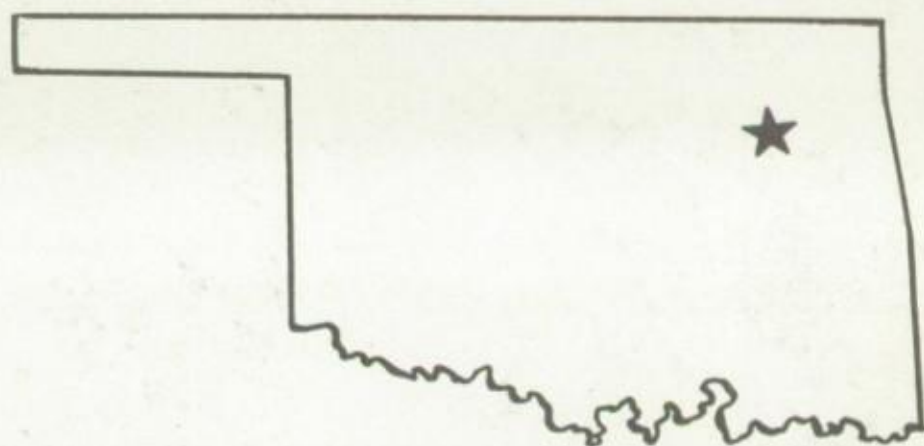

The Board of Education has worked diligently to provide the youth of this school district the best for his future fulfillment in a society that demands educated leadership for the future generation.

Administration

Administration Presses the

Oliver Wendell Holmes once said, "The great thing in the world is not so much where we stand, as in the direction we are moving." Our direction in education must be upward and onward never downward and backward. Educators, together with community forces, must strive to develop in its youth a desire for success and happiness in life. For this precise reason, we must seek out problems and convert them into challenges.

Challenges that are sought and welcomed, diligently labored upon, and eventually mastered will blossom into successes that will make our lives warm and meaningful. If these challenges are to prove attainable, their goals need to be sharpened and resharpened so that they stand out vividly in our thoughts. Only when all forces—the community, the school, and the church—labor together in a definite direction for the development of its youth can we experience the satisfaction and enjoyment of success in life.

Jim R. Dawell

Continuing of High Standards

This has been a tremendous school year. I have great pride in sharing the accomplishment of our students and faculty. The honors gathered by the athletic teams and musical groups are matched by the scholastic level maintained.

With our new facilities a challenge is extended to us all. We are compelled to make Oologah the Mecca of public schools in Oklahoma. Let's meet this challenge.

Oologah Is Many Things

Life at Oologah School is many things to an ever increasing student body. It may be the excitement or thrills at a sports event—football, basketball, band festival, pep rally or participation in the many activities available. It could be the hours spent in classes, laboratories, play rehearsals, getting ready for the prom, homecoming and finally graduation.

Whatever life at Oologah school is to its students can only be partially glimpsed in the Mustang. The varied moods, the many memories, the countless good times can only be relived in our hearts in the years to come.

Christmas Arrives —

Atmosphere Set by Decoration

BEAUTY, IN ITS FULLEST is displayed during the Yuletide season at Oologah School. Everywhere the atmosphere reflects the true feeling of personnel as well as students.

The beautiful decorations throughout the entire building reveal this as one of the highlights of the year.

The musical department climaxed the Christmas festivities with its beautiful harmony of the traditional seasons greetings.

Home to families and friends at the dismissal of school continued the pace until the New Year's arrival with its anticipation of new events to come.

Growth Means New High School

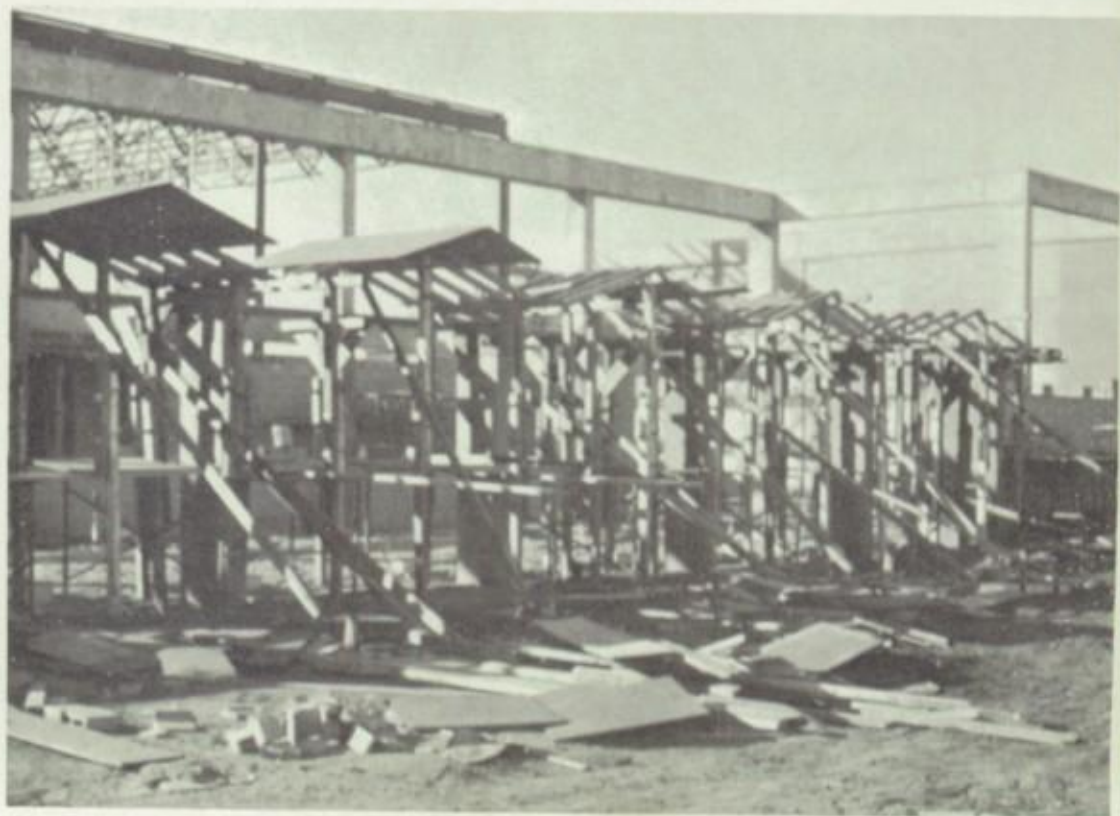

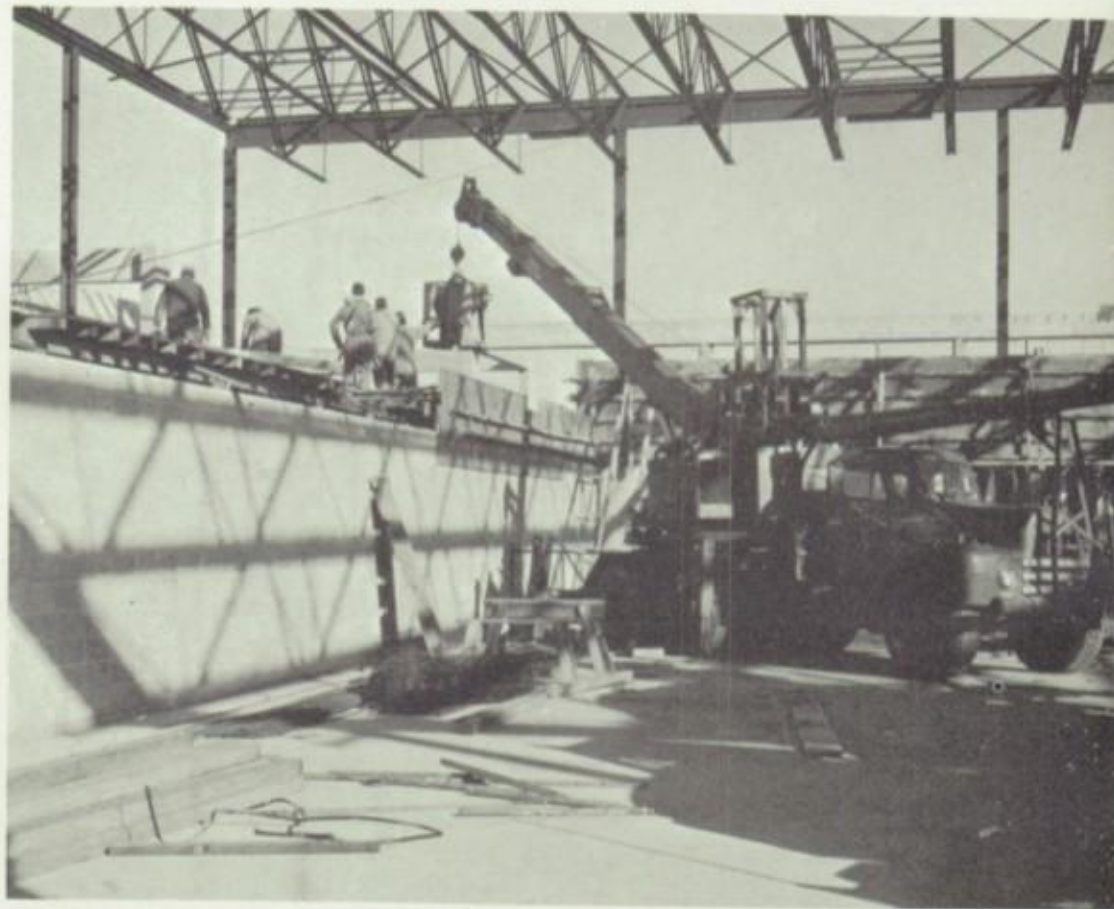

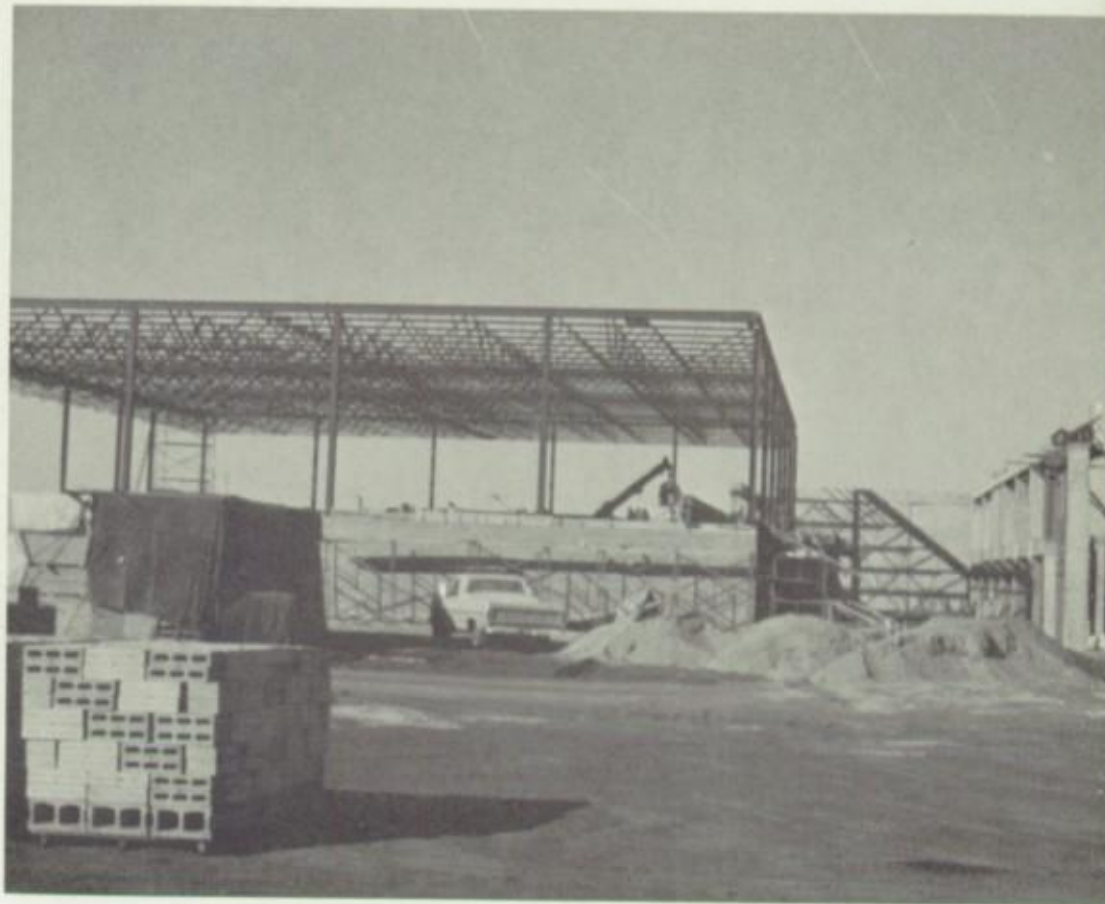

Construction Takes Shape

The construction of the first phase of this new and modern high school building to be completed by the fall term of '71 will help alleviate the crowded conditions that exist in our present school.

It will contain the administrative offices, 19 classrooms of various sizes, a gymnasium with dressing facilities and a seating capacity of 2,500, a library media center, conference and a counselor's offices, and a students' common area.

With its design and appearance as well as fulfilling the needs of the youth, this building will be one of which everyone in our school district will be proud.

The ever increasing developments in Science requires Mr. Don Brister, Mr. Wayne Haggard and Mr. LaVon Wilcox to confer frequently to keep abreast of the expanding Science world.

Mr. Charles Garner examines a sample band uniform before making a selection.

Mrs. Billie Brown, Spanish and art instructor spends a great deal of time helping students with various projects.

Expansion . . . O.H.S. Image

Looking ahead to the future as well as fulfilling present needs is a well qualified and efficient administration.

This, coupled with a well-trained faculty, who is always ready to guide and encourage all students toward their academic goals, is the key to the success of OHS.

Mr. John Beasley, Principal and Mr. Jim Dowell, Superintendent take time to discuss the ensuing academic day.

Mr. Richard Soliday and Mrs. Travis review a new selection of sheet music before introducing it to an expanding vocal music department.

Guidance and Counseling as well as Head Football Coach fills the day of Mr. Brett Williams as he assists many students who come to him for advice.

The Business Department under the guidance of Mrs. Susie Hicks and Mrs. Priscilla Worden prepare many students to meet the challenge of the business world.

Mathematics play a vital role in the curriculum of Oologah students. Mr. Dorr and Mrs. Grace White, instructors of mathematics.

Demonstrating the use of the range is Mrs. Mary Denton, Home Economics instructor.

Mrs. Bonnie Coles checks reference material in preparation for Social Studies lecture.

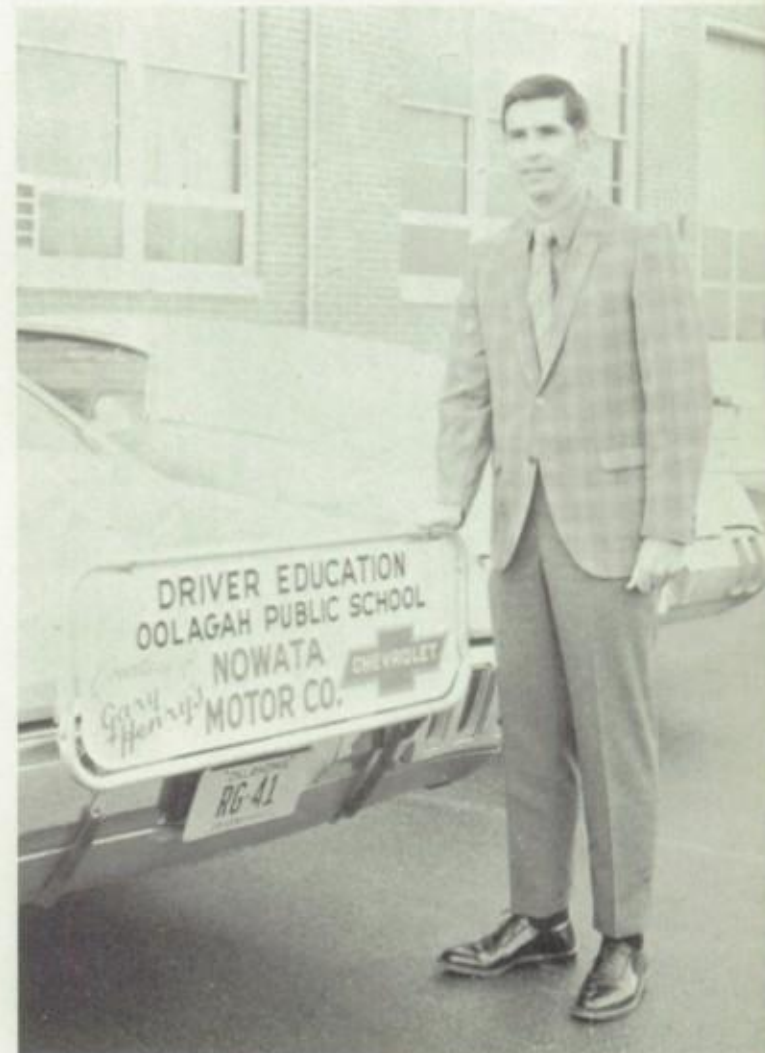

Mrs. Beatrice Kelling, Librarian, checks the card catalog in readiness for continuous use.

Planning the curriculum for an up-to-date English Department are Mrs. Sharon Douthitt, Mr. James McAlvain, Miss Gloria Harrington, and Mrs. Wilma Jackson.

Bright and early finds Mr. Darrell Harrington and Mr. Curtis Pittman walking together to their classes of Social Studies.

Mr. Gerald Day develops proper driving habits for the many students he assists each day.

Mr. Johnnie Riddle, Industrial Art instructor takes time to check test papers.

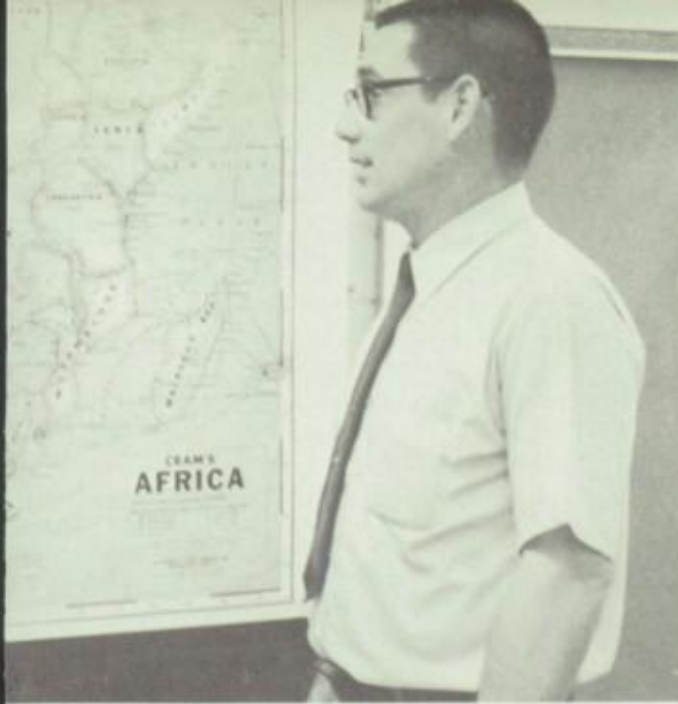

Checking physical education equipment needed for the days activities required much of Miss Tina Smith's time.

Ed Hamilton, when not assisting on the football field, is busy preparing projects for his welding class.

An eye catching bulletin board coupled with a season's scene greets you as you enter Mrs. Lillie Steno's Remedial Reading room.

Map study in Social Science is discussed by Miss Nancy Beal and Mr. Joe Mosely, sixth grade teachers.

Mrs. Cythia Dowell and Mrs. Ella Duckett explain the operation of the Reading Cassettes to Miss Deidra McGriff.

Miss Judy Boyer checks projector before showing the film to her students.

VERDIGRIS VALLEY ELECTRIC COOP COLLINSVILLE, OKLAHOMA

Americans are rediscovering "country style" living . . . everything from country cooking to country music.

And there's new emphasis on "country style" electric service.

Low-cost . . . dependable . . . plentiful electric light and power for homes, farms, industry . . . for people. Power provided by America's nearly 1,000 rural electric systems, which are owned and controlled by local people.

Bringing to people a basic service . . . at cost. That's cooperation—"country style."
